Brian:

Attached is part one of the Falcon Refinery Data Evaluation Summary Report. Due to the size of the document, we are sending the cover letter, transmittal form, text, figures and tables in two PDFs. The remaining items (data validation report, laboratory reports, etc.) will be sent to you on a CD. You should receive the CD by Tuesday. The attached Part 1 contains the cover letter, transmittal form, text and figures. Part 2 containing the Appendix A and Appendix F data tables will be sent shortly. Please do not hesitate to contact me if you have any questions or need anything else.

Thank you,
Bob Owens
